TECHNION ON SCREEN

BE PART OF OUR INNOVATION SHUK

Technion Canada is looking for startups to showcase at our upcoming Technion 10² film premiere: Technion on Screen. The innovation shuk is an immersive showcase of cutting-edge Israeli startups and innovations. Inspired by Israel's vibrant marketplaces, the popular concept features a dynamic space where attendees can engage with startups at all stages of development, providing a diverse cross-section of the Israeli innovation ecosystem.

WHAT TO EXPECT

DIVERSE SHOWCASE

We aim to highlight up to 12 startups with Israeli and/or Technion roots, representing a broad spectrum of industries and technologies. Whether you're in the field of biotech, AI, clean energy, or beyond, there's going to be something for everyone at the Shuk.

INTERACTIVE DISPLAYS

Each participant will have a 6-foot table and access to electricity if needed, allowing you to showcase your innovation in the most impactful way possible. Whether it's a live demo, prototype display, or interactive presentation, the Shuk provides the perfect platform to showcase your work.

INFORM AND EDUCATE

The primary goal of the Shuk is to inform and educate attendees about the incredible innovations coming out of Israel. Through engaging displays and interactive presentations, we aim to portray the spirit of innovation at the Technion and look forward to a bright future of Israeli ingenuity. Share your story, showcase your technology, and engage with a diverse audience eager to learn more.

PERKS OF PARTICIPATION

✓ EXPOSURE

Gain exposure for your startup or innovation to a high-profile audience of industry professionals, investors, academics, and community leaders. Showcase your work to a diverse demographic passionate about Israeli innovation and entrepreneurship.

✓ NETWORKING OPPORTUNITIES

Connect with fellow innovators, industry leaders, investors, and potential collaborators during the dinner and throughout the evening. The Shuk provides a unique opportunity to expand your network and forge meaningful connections.

✓ 2 COMPLIMENTARY TICKETS

As a participant in the Innovation Shuk, you'll receive two complimentary tickets to our film premiere, granting you access to an evening of inspiration and networking opportunities. Enjoy delicious kosher food, engage with other innovative displays, and take part in an evening that honours the Technion's century-long legacy and ignites the next era of innovation.
